Hi Chris,

UK and Three Strikes: What Not to Do in an Election Year

Call To Action by Danny O'Brien

The arbitrary termination of Internet access for repeated accusations of copyright infringement -- "three strikes" -- is as profoundly unpopular in the UK as it is elsewhere. National experts have generally come out against the idea, from government civil servants who previously omitted it from a public consultation to the counter-intelligence MI5 unit, who apparently fear

Dear Peter,

Alongside the Digital Britain report we issued a consultation

We recognise that any solution must protect individuals' privacy. The Government will build in safeguards to ensure the rights of the consumer are protected, and will also ensure policy proposals comply with relevant data protection legislation, including the e-Privacy Directive, under which ISPs
