

Wine talk, the challenge: video C

Nathalie: "OK, you can't see anything, I'm going to put a wineglass in your hand... and in two minutes we will serve you some wine... yes there you go, and now you tell me what you think, this is... this is a difficult game [for you]."

Nathalie: "If it is a bad wine you must tell us... but also if it is good."

Jean-Christian: "It is rounded, supple...for me it would be a wine that you would need to drink now."

Nathalie: "Yes."

Jean-Christian: "It's a wine, it's a wine that is very good... it is a... fashionable wine, it is not the kind of wine that I am trying to make."

Nathalie: "No."

Jean-Christian: "It is not at all the type of wine that I would make."

Nathalie: " No...no, would you like to know what kind of...what kind of wine it is?"

Jean-Christian: "Yes."

Nathalie: "It is a wine from New Zealand."

Jean-Christian: "Yes... I've nothing against this wine."

Nathalie: "Yes."

Jean-Christian: "They make it... although I would never make it like this!"
