

# BBC Third Party Information Security Requirements – non-BBC data

Last reviewed: 14/03/2023

Policy owner: Chief Information Security Officer

Department: BBC Information Security

## Summary

---

This document sets out the minimum security requirements expected of third party organisations who provide services or information to the BBC but do not process or store BBC information.

Audience: This document applies to all third parties and staff, including contractors, temporary staff and suppliers hired by the third party organisation.

### 3. Human resources security

- 3.1 The Third Party must ensure that information security roles and responsibilities of all employees and contracted individuals are
